Last year my nephew saw a strange unman shaped object,  
He fill out one of these forms for you. Also he told the  
police. The police did not even look out side they all  
thought he was some kind of nut. That is why I ~~never~~  
did not tell them.

[redacted] Garfield, N.J. And my self Mr.  
[redacted] Ave, Garfield, N.J.  
saw a strange object in the sky. It was to high up  
tell the shape of the object. It was going to fast  
to be a plane or a jet. But this object was to high  
to be a jet plane. It came out of the east and went  
to the west. When we were watching this object it  
would slow down to a stop and then it would go much  
faster then before. When It got toward the west it  
but on more speed. And then we could not even find  
the object. Also this object had a big bright light  
on it. It all most looked like a plane coming in for  
a landing. But this object was very big and very  
high up. Their was no clouds in the sky.

Very Sincerely
